# Police Registration

## Registering with the Police, what does this mean?

You may be required to register with the police upon arrival to the UK if you hold a passport from the list of nationalities below. This will also be listed on your visa in your passport and will state that you must register with the police within 7 days of arriving in the UK (if you applied for a visa outside the UK) or if you have been issued a new Biometric Enrolment Permit if you applied for a new visa inside the UK.

## Who needs to register?

You will need to register with the police if:

- you are 16 or older
- your visa or permission to stay in the UK is longer than 6 months
- you are a national of one of the below:

Afghanistan	China*	Kazakhstan	Oman	Tajikistan
Algeria	Colombia	Kuwait	Palestine	Tunisia
Argentina	Cuba	Kyrgyzstan	Peru	Turkey
Armenia	Egypt	Lebanon	Qatar	Turkmenistan
Azerbaijan	Georgia	Libya	Russia	United Arab Emirates
Bahrain	Iran	Moldova	Saudi Arabia	Ukraine
Belarus	Iraq	Morocco	Sudan	Uzbekistan
Bolivia	Israel	North Korea	Syria	Yemen
Brazil	Jordan			

\*If you're a student who holds a passport issued by the Special Administrative Region of either Hong Kong or Macao is classed as a Chinese national and needs to register.

## How to register

You will need to take the below documents and information to the police station for your area.

- £34 for the registration fees
- 2 recent [passport size colour photographs](#)
- your passport
- your visa “vignette” (sticker in your passport), if you applied outside the UK
- the letter you got from the Home Office when your application was approved, if you applied inside the UK
- your [biometric residence permit](#), if you have one

You will receive a police registration certificate once you have successfully registered with the police. Please keep it while your visa is valid. If you lose your certificate please contact your local police station and they will tell you what to do.

**If you failed to register, your visa might be at risk as it is a condition of your visa in the UK. Failure to register in time could impact on any visa applications in the UK in future.**

## Updating your details

You need to inform the police if any of the information you gave to the Police has changed. (for example a new visa granted, a passport number and/or a new contact address etc.)

If you are studying outside London – please contact the local police station about registration

If you are studying within London – please check the process from [Overseas Visitors Records Office \(OVRO\)](#) about registration
